"SimplePowerIT assessed my organization's current technology capabilities by asking simple questions to help identify our needs. **What sets their team apart is their ability to take the complex world of technology and break it down into understandable concepts.** They took time to understand our current environment and created a plan to move forward in a timeframe and budget that worked for us. We're extremely satisfied with SimplePowerIT's service!"

**Shiloh Burgess** - Executive Director, Wenatchee Valley Chamber of Commerce
